CUT DOWN ON WASTE**

30th Birthday Celebration

AND 10 MILE COMMUNITY FEAST

SATURDAY 1 JULY 2017
BELMONT PARK, NOON – 4PM

NEWTOWN COMMUNITY ASSOCIATION

Bring a dish to share for the community feast using seasonal, locally sourced ingredients.

The feast will be shared from noon-2pm

You can also enter your dish in the competition!

- > Prizes for best savoury, sweet, vegan & international dishes
- > Special category for dishes made by under 14s
- > Judging by Lucy and Jim Fisher of the Exeter Cookery School, Sandhya Dave, Cultural Champion and Cath Sleight of Rabbit cafe.
- > If you are entering your dish in the competition, please come to Belmont Hut by 11.30am on the day. Include a card (or we will provide you with one) to write down the ingredients, including which were locally sourced.

The feast is based on the idea of '10 Mile Dinners', developed by members of Transition Exeter as a way to bring socialising and activism together. A lovely shared meal with ingredients from a 10 mile radius of Exeter, provides an opportunity to talk about things that matter and how we can shop and eat more consciously.
