

FOOD SHORTAGES

We welcome donations of any items from our **Priority List** - this helps us to balance our stocks. This list reflects the items we're currently short of – not the full range we give out.

Thanks to your generosity, we have very high stocks of **baked beans & pasta** and are **NOT** in need of more at this time. Please also note we are **unable to take perishable items**, including **mince pies**.

Thank you for your understanding & support.
